

## ***Summit Contracting, LLC Web Site Privacy Policy***

08/11/09

Summit Contracting is sensitive to privacy issues on the Internet and is committed to protecting your privacy on our web site. Summit takes reasonable precautions to keep all information obtained from our online visitors secure against unauthorized access and use and we periodically review our security measures. We have established the following guidelines to explain the way in which we use information gathered from visitors to our website.

### ***What information does Summit collect?***

In general, you can visit Summit on the Web to access information while remaining anonymous and not revealing any personal information. There are times, however, that we will ask you to provide certain information (such as your name and e-mail address) so that we may understand you better and provide you with information on any new services that you might be interested in. Our Web server may also collect the domain names, but not the e-mail addresses, of visitors to our web site. We use information to monitor and assist us in improving the content on our web site.

### ***How will Summit protect your personal information?***

Forms you fill out to interact with our business may request that you give us sensitive information such as your name, e-mail address, mailing address or telephone number. Whenever that is the case, Summit will take commercially reasonable steps to establish a secure connection with your Web browser and will not share your personal information with other entities. You must be 13 years or older to submit any personal information.
